

**Merry Xmas  
Have a safe and relaxing break.**

*Merry Xmas again! Another year flies by. We would like to thank all of the great motivated people who have attended our Courses and Tuition this year. We have enjoyed all of your enthusiasm, challenges, discussions and fun! Where did 2003 go? We hope you have a good break and enjoy the forecasted good weather!*

Below is an important message to all of our valued customers...

## Changes for EDUCAD

**Due to a term contract being offered to the team at EDUCAD, our normal scheduled courses will be suspended until further notice.**

### What changes will be made:

**EDUCAD's Training rooms and office:** Any courses arranged will be at an alternative location (to be advised). The existing office will be closed, and we will be working from other locations. (See contact details below).

**Group Course Bookings:** We will be able to organise training courses if you have a group booking. The times and dates will be arranged at the time of booking.

**One-on-One Tuition:** We will be providing One-on-one Tuition and Support On-site and also via Phone and Email.

**How to contact us:** Because of the contract we have accepted, there may be times when you might not be able to contact us (not much different to now). We will leave a message on the main EDUCAD Telephone line (444 5953) explaining how to contact us.

### You can also contact us via email:

[Raewyn@educad.co.nz](mailto:Raewyn@educad.co.nz)

[Robyn@educad.co.nz](mailto:Robyn@educad.co.nz)

**Website:** We will be posting any notifications on our website to keep you informed. This will include any one-off courses we arrange and other training information and changes. **Keep an eye on this!**

**Emailed Newsletter:** Please let us know your email address if you received this via snail mail (post) so we can keep you informed. Email [Robyn@educad.co.nz](mailto:Robyn@educad.co.nz) with the words 'Educad Newsletter' in the Subject line.

*We look forward to doing business with you next year!*
